Sun-dried alfalfa, oats, wheat, pumpkin seed, flax seed, yeast, dicalcium phosphate, biotin supplement, calcium propionate, bicarbonate of soda, vitamin A supplement, vitamin D3 supplement, vitamin E supplement, vitamin B12 supplement, riboflavin supplement, d-calcium pantothenate, choline chloride supplement, folic acid, zinc methionine complex, manganese methionine complex, copper lysine complex, cobalt glucoheptonate, potassium sulfate, magnesium oxide, manganese sulfate, sodium selenite, cobalt carbonate, potassium iodide.

## Feeding Directions

Feed at ¼ lb per head per day with good quality hay or forage as directed by your veterinarian under normal conditions. The precise nutritional needs of the alpaca have not yet been established. Manufacturer makes no warranty as to the nutritional adequacy or results which may be derived from the use of this feed.

Caution: This supplement contains .3 ppm selenium when fed as directed; do not feed additional selenium supplements. Provide plenty of fresh, clean water. Introduce new feeds gradually. Do not feed old, moldy or insect infested feeds.
