

## Sunshine in a Pellet

Union Point GMO-Free Marigold Pellet  
for brighter color and higher vitamin A and D levels in eggs

### Guaranteed Analysis

crude protein, not less than	9%
crude fat, not less than	1.5%
crude fiber, not more than	3.0%
Vitamin A	58,000 kiu/lb
Vitamin D	26,000 kiu/lb
Vitamin E	1000 iu/lb

### Ingredients

Triticale, wheat, marigold meal, paprika and other botanicals including garlic, anise, horseradish and juniper extracts, Vitamin A Supplement, Vitamin D Supplement, and Vitamin E Supplement, high Omega 3 vegetable oil.

### Feeding directions

This is a treat to be fed in addition to a complete feed not to exceed 10% of the birds' feed, as too much will dilute the balance of nutrients in the complete feed. Adjust feeding levels to achieve the color you want to see in the eggs. Provide plenty of fresh, clean water at all times. Introduce new feeds gradually. Do not feed old, moldy or insect infested feeds.
