

Union Point Sustainable Scratch

A corn, soy and GMO-free supplement and treat to be fed in addition to a complete feed to encourage foraging and healthy behaviors

Calculated Analysis

Crude Protein, min	12%
Crude Fat, min	5.0%
Crude Fiber, max	7.5%

Ingredients

Willamette Valley and Pacific Northwest grown wheat, oats, barley, flax seed, triticale, pumpkin seeds, green, yellow and maple peas; may also include millet, sorghum, milo, wild rice and/or other locally produced grains as available, vegetable oil.

Feeding directions

This is a treat to be fed in addition to a complete feed not to exceed 10% of the birds' feed, as too much will dilute the balance of nutrients in the complete feed. Provide plenty of fresh, clean water at all times. Provide grit for proper digestion of whole grains. Introduce new feeds gradually. Do not feed old, moldy or insect infested feeds.
